Coach Training Recap

The first weekend of the Hilary Arthur Training had a turnout of 8 coaches. Hillary Arthur focused on Speed of Play. The second weekend was taught by Jeff Cade on Group Possession. There were 13-14 coaches present for the second weekend.

Tim Dry will try developing another coach training session with a different approach.

Keeper Training Update

Tim Dry will do a Club Keeper training on a late Saturday afternoon. This training will be for both player and coach.

Field and Equipment Maintenance

Field: 2 sets of paint and 2 liner machines in each box.

The team who has the last game of the day is to put away the flags on the field. If the team is a home team then be at the field 10 minutes before your game to put up the flags for the day.

Check your schedules. Check your schedules. Check online for Spring Guidelines and things to do before a game.

There is a 72 hour cancellation policy. Let the league know 72 hours in advance otherwise there will be late fines.

Gardnerville Elementary School is the home field to U15 and up, Carson Valley Middle School is the home field to U14 and down.

Tim Dry will develop the field lining schedule. He advises coaches to assign parents to help with the lining. The paint brand that CVSC uses is "PVIP". AYSO carries a brand called SCORE.

Master Field Schedule

Games are still being changed. Be aware games may be rescheduled games. Games have precedent over practices.

The front fields at Lampe Park can be used for practice. There are no nets till after April 1st, 2007. Lampe can be used late afternoons till evening and all day Saturday.

It has been noted that there have been wrong age groups @ GES. Please give the older teams' first choice in using GES.

Linda Kleiner asked about nets at Pinion Hills Elementary School. She would like to switch practice to Monday. It was commented that games should coincide with the availability of Lampe Park.

Tim Dry strongly requested again that all teams do their assigned field lining.

Open to Floor for questions and discussion.

Next CVSC meeting is April 23rd in Gardnerville. Tim will try to do a later meeting.

Jeff Cade is doing another series of Free Coach Clinics but unfortunately they are at Spanish Springs.

Jeremy Rutherford had a question: Does the home team have to change uniforms? Tim Dry said to read the Spring Guidelines for information.

Michael Gibbons asked how much money was being donated to Hilary Arthur/WNCC? Tim Dry answered that CVSC was donating \$250.
