GBYSL Report

Jim Talia attended the last GBYSL meeting. He reported that the league is cracking down on insubordination towards referees by coaches, players and parents. GBYSL has implemented increased disciplinary actions this fall season. Plans are to continue in the spring 2008 season.

Deanna Abbott inquired about the standings for the fall season. An unequal number of games gave a few teams an unfair advantage in the standings. Tim reports that the fall season is a training season. Deanna asked Jim to bring this issue up at next GBYSL meeting and inquire if the number of games in the spring season will be equal.
